To the lost and to the bro - ken, in com - pas - sion send us now;  
O - pen hearts to seek the Lord and o - pen minds to know His Word.  
Praise, thanks - giv - ing, glo - ry, ho - nor, we will give You, tri - une God,

Of your grace and Your for - give - ness, as we come through Christ who died.  
Give us hearts that want to praise You, Voic - es that in You u - nite.  
That Good News be - come the hall - mark of our words and ac - tions here.  
O - pen doors to go in ser - vice, o - pen doors to wel - come home

Help us then to love each o - ther with the love that You sup - ply.  
Help us see that what You give us, is to share with those in need.  
May we be Your hands and feet, the face of Christ to all we meet.  
stran - gers, friends and Chris - tian bro - thers; all You bring to share our lives.  
As we seek to live Your vi - sion, guide and strength - en Lord, we cry.
